I have been working in the community for a number of years to shared my vision of establishing a modern community without religion, race, gender, caste or nationality discrimination. Through ABC, a number of initiatives have been created to support local communities.

3. What makes you most proud of the City of Gosnells community?

I am very proud to be part of this community. The guidance and direction from the City's Community Development officers has given our organisation opportunities to seek community grants and engage with other communities and groups. This support has provided us with the confidence to continue our journey.

4. What is your vision for the future of our City / your organisation?

ABC's vision is to establish a recreation and community centre for spiritual, physical and mental health support for all ages. We want people to live a happy life believing in humanity, equality and sharing love and kindness.
