Candidate Name	Jason PITMAN
Ballot Paper Name	PITMAN, Jason
Nominating for	Councillor
Election Type	Ordinary

PITMAN, Jason

Raised in Maddington, my husband and I live in Gosnells, surrounded by kind-hearted neighbours. I'm an environmental scientist, teacher, and volunteer. I'm advocating for:

Sustainability: Local governments can support residents in their eco-goals (recycling, saving water, Landcare groups) and revitalise our parks, improve natural areas, protect urban forests, and care for our rivers.

Inclusion: Diversity is key in creating safe and connected neighbourhoods. I believe council can address the needs of our residents by listening to our elders, youth, people with disability, and multicultural communities.

Connection: I enjoy meeting new people. I want to encourage constructive dialogue amongst the community.
