PHILLIPS, Peter

I am a fully Vaccinated frontline worker who is ready to serve the Ratepayers of our great City.

I have previously served the Nation as a Soldier, the Community at Gosnells Junior Cricket Club as President, U/17's Premiership Coach, All Abilities Childrens Coach and have recently been elected as Men's Captain at Hartfield Golf Club.

With your Support I will be a strong advocate for the re-introduction of Wards and the Mayor being elected by the Ratepayers.

Having lived in Gosnells for over 25 years with my Wife and now two Adult children I am aware of the social pressures that face our youth. I will be a strong advocate for providing youth services, engaging our young people in Sport/Arts as in my experience engaged youth are less likely to be troublesome.

Thank you for your Vote

Peter
