Nominating for	Councillor
Election Type	Ordinary

SAJJAD, Malik

I am a proactive local resident of Huntingdale and been living in City of Gosnells multicultural community for the last many years. I believe it is imperative for the community to be represented by people from all backgrounds & cultural upbringing. I actively take part in community activities & held multiple positions in local community groups. My commitment is to serve the community by focusing on Youth, Infrastructure, Waste management, Crime Prevention, empowering Senior citizens & increase community engagement. I aim to put downward pressure on annual increase to the cost of our rates. Our City is evolving and need Councillors who are dedicated for the benefit of community at large. I would be privileged to represent you and be your unbiased voice of the Council, so please **Vote** for me!
