I, Mohammad Mohammadi have been an active resident of the City of Gosnells for over a decade. I am currently the President of a widely recognised community, United Hazara Association. I plan to work on local community concerns including;

- Improving youth and working class employment rates
- Increasing access to facilities and services for the youth who may be experiencing educational difficulties and barriers

I strongly believe I have the knowledge, experience and creative ideas needed to help tackle the ongoing struggles we face in our local community. I am highly motivated and determined to bring change to the living standards in the City of Gosnells.
