District	City of Gosnells
Candidate Name	Kayde SMITH
Ballot Paper Name	SMITH, Kayde
Nominating for	Councillor
Election Type	Ordinary

SMITH, Kayde

My name is Kayde Smith and I have been a resident of the Gosnells area since I moved to Perth from Geraldton in 2009. I support the further digitisation of politics in Australia, as I think this will help increase civic participation by Australians.

I believe in a common sense approach to politics, and reject the idea that some things are too hard. If a proposal of mine is rejected due to cost, I would lower my own salary or do it myself.

As a Councillor, I would have four goals:

1. Create a website to allow residents to report amenities problems, such as blocked drains, overgrown park foliage, public lighting no longer working, etc.
2. Slow or freeze rate increases with strong fiscal control
3. Increase community safety with better lighting in public parks
4. Maintain public amenities
