Kevin McDonald

My name is Kevin McDonald and with my wife and children, I have lived in Thornlie for over 30 years. During my 29-year police career, I worked at Gosnells, Armadale and Cannington police stations and have a deep understanding of the crime and safety issues impacting our local community. I've been actively involved in community and volunteering through schools such as Yale Primary and groups including Sutherland Park Soccer Club, Thornlie tennis and Thornlie football clubs. My family history in Gosnells goes back to early last century when my great-great grandparents established an orchard in King Street. I am a passionate advocate for law and order, community safety, developing local roads and amenities, preserving our environment and if elected, will do my utmost to serve our community.
