CHANDER, Subhash

My name is Subhash Chander and my wife and two young kids have been calling the City of Gosnells our home for the past 10 years. Being a proud local, I would like to put my hand up as a candidate for the upcoming council election.

Working in the Disability Service sector, I am supporting some of the most vulnerable and marginalised people within our community. I see daily the impact belonging and being part of a safe and welcoming community, has. My goal is to improve access to local services for people of all abilities and work towards inclusion. I want to remove barriers so people can thrive within their local communities.

I am here to listen, advocate for you, and make a positive change. I would highly appreciate your support in the upcoming council elections!
