LYNES, Terresa

Fortunate to say I am a long-term local resident and business owner, Chair of the Thornlie SHS board and a Director of the Canning Vale Community Bank board.

As a former Deputy Mayor, who holds a Diploma of Local Government, I bring experience and knowledge of best practice in good governance and strategic planning.

I will advocate to:

Reduce financial waste -

Fund a **security** rebate scheme allocation -

Supply a second junk pickup to help keep the city **clean** -

Increase **interaction** between council and community -

Allocate spaces for sports clubs, dog parks and **seniors** activity areas -

Improve the city **appeal** through murals, gardens and trees -

Provide enjoyable diverse events to aid in creating a **harmonious** community

With your support I will help build a cleaner safer greener City.

Thank you
