

LEGEND

- Residential R20
- Subject to further environmental investigation and detailed planning

- * As a condition of subdivision or development, the priority three flora (*Schoenus benthamii*) that exists on Lot 1587 is to be relocated elsewhere within the district to the satisfaction of the Department of Environment and Conservation.
- * The Southern River Precinct 1E ODP is part of a larger Southern River Precinct 1 ODP framework which will ensure the provision of public open space will be equitably shared by all owners within the ODP. Therefore, as a condition of subdivision or development approval, landowners must make satisfactory arrangements to ensure that any requirements relating to the provision of open space will be satisfied in accordance with the Developer Contribution Arrangement to be prepared for the Southern River Precinct 1 ODP.
- * A fauna movement linkage is to be provided between Lot 1609 Lakey St and Lot 2 (No. 56) Holmes Street, to the satisfaction of the City of Gosnells and the Department of Environment & Conservation at the time of Subdivision. The linkage is to be implemented in conjunction with the development of Lot 1609 Holmes Street.
- * The portions of Holmes and Harpenden Streets fronting the development site will be required to be upgraded as part of the future subdivisional works, with the works required to be to the satisfaction of the City.
