

CITY OF GOSNELLS

2 March 2023

Life in the City of Gosnells

Pop over for a rocking evening

Give your ears the orchestral treatment at Pop 'n' Rock Symphony, a free family-friendly concert for the whole community featuring the Perth Symphony Orchestra.

Presented by the City of Gosnells, the concert will take place from 5.30pm to 9pm at the Civic Centre Gardens in Gosnells on **Saturday 11 March**, so grab your picnic rug or chairs and enjoy a concert under the stars with your friends, family and neighbours.

The winner of the 2022 Gozzy Rock Presents Underground Sounds competition, Anika Louise, will start the show in style.

The Perth Symphony Orchestra will take to the stage at sunset and perform a wide selection of tunes you know and love – from Cold Chisel to Kylie Minogue, INXS, AC/DC, Bruno Mars, Elton John and everything in between, including favourites from popular family movies.

Audience members can pack a picnic or buy from a range of food trucks. Bring your ID to take advantage of a licensed 18+ area while enjoying the show.

Tickets are not required to attend, however parking is limited so patrons are encouraged to walk or cycle to the event where possible.

Visit the City's website at gosnells.wa.gov.au for more details.

Sustainability in Action

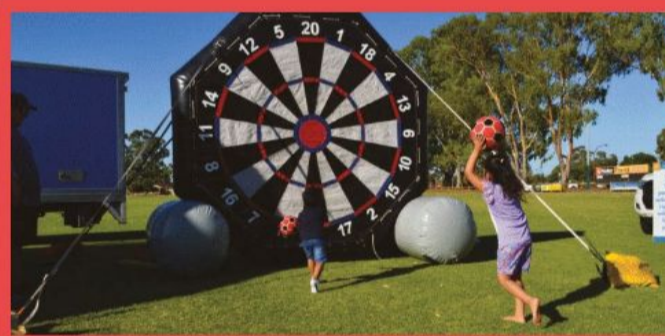

The City of Gosnells Council has endorsed its first Sustainability Action Plan, formalising the City's existing extensive sustainability efforts and setting a path to a more sustainable future.

The plan focuses on reducing energy consumption, switching to renewable energy sources and improving the natural environment.

It identifies a wide-ranging list of actions the City will undertake to achieve this, related to biodiversity, energy, transport, water, climate, infrastructure and waste.

The Sustainability Action Plan demonstrates the City's commitment to meeting the challenges of climate change in our local area, while supporting a growing population and increasing urban density.

For details, visit the City's website.

In your neighbourhood

Get to know your neighbours and learn more about community safety in a fun, family-friendly environment at one of two Your Neighbourhood events coming soon.

The first Your Neighbourhood event is at Gaskin Park, Kenwick, from 3pm to 6pm on **Thursday 16 March**, followed by another at Wilkinson Homestead, Gosnells, at the special school holiday time of 10am to 1pm on **Thursday 20 April**. Visit the website for details.

Visit the City's website for details.

Be a great sort

Did you know the average person places 65kg of material in household recycling bins each year?

Be sure the items you place in your yellow-lid bin are suitable to be recycled by visiting the City's website at gosnells.wa.gov.au.

The website also includes plenty of other great ways to reduce waste.

Councillors' Corner

The City's events calendar is in full swing and the success of each of these events relies on the support of our local community.

In 2023 we have seen some amazing free events captivate our community including Sounds of Pearl Jam and Fleetwood Mac, with tickets fully allocated within 24 hours. Summer's biggest splashdown event – Tropic Like It's Hot – was a huge success, along with the first two Ghost Walks and Sunset Cinemas. I encourage you to get down to the City's next event, Pop 'n' Rock Symphony featuring the Perth Symphony Orchestra, on Saturday 11 March.

All these events help build a stronger and better connected community, where we can come together to enjoy time spent with our neighbours, friends and family. They are also a great way for residents to explore the many parks and facilities, and enjoy all the benefits of living in the City of Gosnells.

I recommend attending as many of our events as you can. Visit the City's website at gosnells.wa.gov.au for our full events listing.

Councillor Aaron Adams
