

Safe City Community CCTV

The Safe City Community CCTV program is a joint approach by the City of Gosnells, WA Police Force, and local community members and property owners to help prevent crime. This is a voluntary, opt in program for people who meet the terms and conditions of the program.

Funding Available = Half the CCTV cost, including installation, up to a maximum of \$500
--

Terms and Conditions

1. CCTV (Closed Circuit Television) must be provided and installed in the City of Gosnells by a registered business with a Security Agents Licence Number.
2. This Partnership Program is applicable to either new installed systems, or upgrades to improve the quality of an existing system to meet the minimum technical requirements.
3. The CCTV system **must** be registered with [WA Police Force Cam-Map](#).
4. CCTV must include a public angle field of view overlooking the road, footpath, front verge, or any other applicable public area. Rear properties, or properties with limited fields of view of a public area, are not eligible for funding.
5. The public facing camera of the CCTV system must meet the following minimum technical requirements:
 - a. 4 megapixel
 - b. 21 days constant recording
 - c. Night time capable
 - d. Hardwired camera
6. The CCTV system must meet the Face Recognition (50 per cent) requirement of the WA State CCTV Strategy Resolution Test Chart within 10 metres of the public facing camera.
7. Applicants must submit a statement from their security installer that shows the technical specifications of their CCTV system.
8. Applicants must provide a 5 second video clip from their CCTV system showing the public camera angle and resolution test chart from 10m.
9. CCTV systems must be installed and the funding application form completed in full and submitted no more than two months after funding approval. If a form is not received by the City within this timeframe, your details will be removed from the program and funding may no longer be available in this financial year.
10. The City will rebate half of the total cost of the CCTV system, up to \$500 per project.
11. One application per project, per financial year will be considered. Repeat applications for the same project will not be considered.
12. Applicants must maintain the CCTV system in working order for at least 12 months. Failure to do so will result in the City seeking to retrieve any payments it has made to the applicant.
13. The operator of the CCTV system must agree to provide footage to WA Police Force when requested. Failure to do so will result in the City seeking to retrieve any payments it has made to the applicant.
14. Applicants must not have a current outstanding debt with the City.
15. Local, State, and Federal Government properties are not eligible for funding.
16. The City reserves the right to cancel the rebate arrangements at any time prior to allocating the funding if any of the terms or conditions have not been met to the satisfaction of the City. The City will not be liable for any cost incurred by the applicant.
17. The City will review all applications against existing approved applications in the same street section.
18. The City provides no guarantee that a rebate can be provided to all applicants.
19. Allocating funding to a project remains at the discretion of the City.
