

Wilkinson Homestead – Historic venue for weddings and other group gatherings

Wilkinson Homestead, a State Heritage listed building on the banks of the Canning River is home to the City of Gosnells' Museum. The grounds may be hired for wedding ceremonies or other group gatherings.

The beauty and tranquillity of the Homestead grounds make it the perfect day-time venue for ceremonies and photo sessions. Blessed with a century-old homestead, surrounded by lawn, rosebushes and an orchard, the grounds adjoin the large John Okey Davis Park which reminds us of the site's former pastures and its agricultural history.

The site provides:

- Universal access
- Free parking
- Open for bookings seven days each week
- Maximum capacity of 80 people

Hirers may bring their own marquee, chairs, and trestle tables onto the grounds at their own cost/risk, and hirers are responsible for set-up and pack-up.

Should the hirer wish to consume alcohol on the grounds they will need to complete an application form for a liquor consumption permit. There is a small application fee for this permit.

Please note, as there are no catering facilities on site, Wilkinson Homestead is not suitable for hosting wedding receptions.
