

POLICY NO. AP 3.1.10

**COMMUNITY ENGAGEMENT PROGRAMS
CANCELLATION**

PURPOSE

To determine the circumstances in which people enrolled in programs delivered through the Community Engagement Directorate will be eligible to receive a refund.

POLICY STATEMENT

Where a person wishes to cancel their enrolment in a program or activity provided through the Community Engagement Directorate they may be eligible for a refund as detailed below.

In some circumstances the City may only provide partial refunds for cancellations to compensate for the administrative costs incurred in taking enrolments, and providing refunds and the potential opportunity cost of the City being unable to achieve maximum program occupancy rates.

Where cancellation occurs:

1. More than 10 working days prior to the implementation of the program, a 75% refund will be made available.
2. Between 10 and three working days prior to the implementation of the program, a 50% refund will be made available.
3. Less than three working days prior to the implementation of a program, no refund will be made available.
4. In exceptional circumstances, a full or partial refund may be given at the discretion of the Manager of the area coordinating the program.
5. A substitute participant may be permitted to enter the program in place of the cancelled participant at no additional cost at the discretion of the City Officer coordinating the program.
6. At the discretion of the Manager of the branch coordinating the program, a participant may be permitted to withdraw from the program and a credit applied to their account for future use.
