1. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation

The budget has been prepared in accordance with applicable Australian Accounting Standards (as they apply to local government and not-for-profit entities), Australian Accounting Interpretations, other authorative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this budget are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the budget has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 16 to this budget document.

The Department of Local Government and Communities has expressed the view that a local government has no control over the performance bonds they hold and subsequently these are to be placed in the Trust Fund. However, the City has determined that there is no fiduciary relationship as it is not acting in the interest of, or on behalf of, the developer but in the discharge of its statutory role as a municipal authority. Therefore the Funds can legitimately be held in the municipal fund.

(b) 2014/15 Actual Balances

Balances shown in this budget as 2014/15 Actual are as forecast at the time of budget preparation and are subject to final adjustment.

(c) Rounding Off Figures

All figures shown in this budget, other than a rate in the dollar, are rounded to the nearest dollar.

(d) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a Gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

(f) Superannuation

The Council contributes to a number of Superannuation Funds on behalf of employees.

All funds to which the Council contributes are defined contribution plans.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts

Bank overdrafts are shown as short term borrowings in current liabilities in Note 7 - Net Current Assets.

(h) Trade and Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectibility of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(i) Inventories

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Resale

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

(i) Fixed Assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Mandatory Requirement to Revalue Non-Current Assets

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at Fair Value became mandatory.

The amendments allow for a phasing in of fair value in relation to fixed assets over three years as follows:

- (a) for the financial year ending on 30 June 2013, the fair value of all of the assets of the local government that are plant and equipment; and
- (b) for the financial year ending on 30 June 2014, the fair value of all of the assets of the local government -
 - (i) that are plant and equipment; and
 - (ii) that are -
 - (I) land and buildings; or
 - (II) infrastructure; and

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

(c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.

Thereafter, in accordance with the regulations, each asset class must be revalued at least every 3 years.

In 2013, Council commenced the process of adopting Fair Value in accordance with the Regulations.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the budget as necessary.

Land Under Control

In accordance with Local Government (Financial Management) Regulation 16(a), the Council was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of state or regional significance.

An assessment has been completed of Crown land operated by the council and it determined no Crown land is eligible to be recognised as an asset in the Council's Financial Statements. The Council is not expecting to have any Crown Land meet the Regulation during the financial year.

Initial Recognition and Measurement between Mandatory Revaluation Dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework detailed above.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework detailed above, are carried at cost less accumulated depreciation as management believes this approximates fair value. They will be subject to subsequent revaluation of the next anniversary date in accordance with the mandatory measurement framework detailed above.

Revaluation

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

Transitional Arrangement

During the time it takes to transition the carrying value of non-current assets from the cost approach to the fair value approach, the Council may still be utilising both methods across differing asset classes.

Those assets carried at cost will be carried in accordance with the policy detailed in the *Initial Recognition* section as detailed above.

Those assets carried at fair value will be carried in accordance with the *Revaluation* Methodology section as detailed above.

Land Under Roads

In Western Australia, all land under roads is Crown land, the responsibility for managing which, is vested in the local government.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

Depreciation

Bridges

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use or depreciated over its remaining useful life once revalued. Leasehold improvements are depreciated over the shorter of either the unexpired period estimated useful life of the improvements.

60 to 100 years

Major depreciation periods used for each class of depreciable asset are:

| Diluges | oo to 100 years |
|---|-----------------------------------|
| Buildings | 15 to 75 years |
| Drains | 90 to 100 years |
| Footpaths | 40 to 75 years |
| Furniture and Equipment | 2 to 60 years |
| Intangible Assets | 2 to 20 years |
| Other Infrastructure | 10 to 75 years |
| Bus Shelters | 40 years |
| Street Lights | 25 to 50 years |
| Park Developments | 5 to 40 years |
| Plant and Equipment | 5 to 10 years |
| Sealed roads and streets Formation | not depreciated |
| Pavement - Access Roads - Distributor Roads | not depreciated 65 to 85 years |
| Seal - bituminous seal - asphalt surfaces | 18 to 20 years 18 to 30 years |
| Kerbs | 60 years |

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(j) Fixed Assets (Continued)

The residual values and useful lives of the assets are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in profit or loss in the period in which they arise.

When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

Capitalisation Threshold

Below details the minimum threshold amounts for the recognition of any non current asset in the statement of financial position.

| Land | Nil |
|------------------------|-------|
| Buildings | 2,000 |
| Furniture & Equipment | 2,000 |
| Infrastructure Asset | 5,000 |
| Intangible Asset | 2,000 |
| Park Development Asset | 2,000 |
| Plant & Equipment | 2,000 |

(k) Fair Value of Assets and Liabilities

When performing a revaluation, the Council uses a mix of both independent and management valuations using the following as a guide:

Fair Value is the price that Council would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset (i.e. the market with the greatest volume and level of activity for the asset or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs)).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

Fair Value Hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Fair Value of Assets and Liabilities (Continued)

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Council selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Council are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of an asset at its current service capacity.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Council gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions and are considered unobservable.

As detailed above, the mandatory measurement framework imposed by the Local Government (Financial Management) Regulations requires, as a minimum, all assets carried at a revalued amount to be revalued at least every 3 years.

(I) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(I) Financial Instruments (Continued)

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method, or cost.

Amortised cost is calculated as:

- the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments and any reduction for impairment; and
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

(i) Financial assets at fair value through profit and loss Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short term profit taking. Assets in this category are classified as current assets. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(I) Financial Instruments (Continued)

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other available for sale financial assets are classified as non-current.

(v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in the profit or loss.

Impairment

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which has an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

Derecognition

Financial assets are derecognised where the contractual rights for receipt of cash flows expire or the asset is transferred to another party, whereby the Council no longer has any significant continual involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(m) Impairment of Assets

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. AASB 116) whereby any impairment loss of a revaluation decreases in accordance with that other standard.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Impairment of Assets (Continued)

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

At the time of adopting this budget, it is not possible to estimate the amount of impairment losses (if any) as at 30 June 2016.

In any event, an impairment loss is a non-cash transaction and consequently, has no impact on this budget document.

(n) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days from end of month of recognition.

(o) Employee Benefits

Short-Term Employee Benefits

Provision is made for the Council's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Council's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Council's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Other Long-Term Employee Benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations or service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Council's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Council does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

(p) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(q) Provisions

Provisions are recognised when the Council has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(r) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

(s) Interests in Joint Arrangements

Joint arrangements represent the contractual sharing of control between parties in a business venture where unanimous decisions about relevant activities are required.

Separate joint venture entities providing joint venturers with an interest to net assets are classified as a joint venture and accounted for using the equity method.

Joint venture operations represent arrangements whereby joint operators maintain direct interest in each asset and exposure to each liability of the arrangement. The Council's interests in the assets, liabilities, revenue and expenses of joint operations are included in the respective line items of the financial statements. Information about the joint ventures is set out in Note 17.

(t) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the Council's intentions to release for sale.

(u) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current budget year.

(v) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this budget document relate to the original budget estimate for the relevant item of disclosure.

(b) Statement of Objective

Our Vision for 2021 - as outlined in the City's 10 Year Community Plan

We will be a vibrant City with a strong community identity; a great place to live, work, raise children, visit and invest; a place that encourages a range of lifestyles and opportunities; and where the natural environment, cultural diversity and heritage of the City is respected and protected for the enjoyment of current and future generations.

Council operations as disclosed in this budget encompass the following service orientated programs:

GOVERNANCE

The administration and operation of facilities and services to the Elected Members of Council. This program also includes other costs that relate to Elected Members and ratepayers which are not covered under other programs such as citizenship ceremonies, civic receptions and elections.

GENERAL PURPOSE FUNDING

Revenue from rates including differential rates and interim rates, interest and fees on instalment arrangements and interest on arrears. Amounts receivable from the Western Australian Local Government Grants Commission for untied grants such as the Financial Assistance Grants. Interest revenue received on municipal and reserve investment is allocated to this program.

LAW, ORDER, PUBLIC SAFETY

Administration and operation of funds received from the Department of Fire and Emergency Services for the Gosnells Bush Fire Brigade and State Emergency Service. Provision of community safety programs and Ranger services including registering and impounding of cats and dogs. Revenue allocated to this program includes dog and cat registrations, infringements and prosecutions.

2. REVENUES AND EXPENSES (Continued)

(b) Statement of Objective (Continued)

HEALTH

Administration, inspection and operation of programs concerned with the general health of the community. Expenses and revenues relating to regulation and monitoring of food premises including food sample analysis, noise complaints and childhood immunisations.

EDUCATION AND WELFARE

Administration, support and operation of services for children, youth, seniors and persons with disability. Operation of Addie Mills Centre including the Meals on Wheel services. Provision of Community Development programs and events such as the Multicultural Food Fair and NAIDOC Week.

COMMUNITY AMENITIES

Administration and operation of the refuse collection and disposal services. Provision of programs for the management and protection of the environment including the Switch Your Thinking Activity. The administration of town planning schemes, planning applications and associated land issues. This program also includes administration and operations relating to Bus Shelters, Kenwick Cemetery and graffiti management.

RECREATION AND CULTURE

Administration and operation of the civic centre, community halls, recreation centre, parks, sporting facilities, Leisure World, Don Russell Performing Arts Centre, Libraries and the Gosnells Museum. Provision of heritage and community programs and events such as Homegrown Festival, Summer Event Series, Outdoor Cinema, Arts and Culture programs, Sponsorship and Funding programs.

TRANSPORT

Administration, maintenance and construction of roads, drainage, footpaths and bridges. Including road verges, streetscapes, crossovers, road signs, street trees, street signage and street lighting. This program also includes the City's car parking facilities and road plant purchases.

ECONOMIC SERVICES

The development, promotion, support and research of economic development issues with the community and progression of urban development projects. Provision of building control and swimming pool inspection services. Revenue allocated to this program includes royalties from the Boral quarry and telephone tower leases.

OTHER PROPERTY & SERVICES

Private works carried out on property or services not under the care, control and management of the City. Works also include reinstatement work on the City's infrastructure as a result of damage from development. Plant operations, administration and public works overheads which allocated to the above programs. This program also includes any unclassified activities such as sale of land for the City's land subdivision projects and miscellaneous reserve transfers.

3. DISPOSAL OF NON CURRENT ASSETS AND LAND HELD FOR RESALE INVENTORY

The following assets are budgeted to be disposed of during the year.

| By Program | Net Book Value 2015/16 BUDGET \$ | Sale Proceeds 2015/16 BUDGET \$ | Profit(Loss) 2015/16 BUDGET \$ |
|-------------------------------|----------------------------------|---------------------------------|--------------------------------|
| Recreation and Culture | 92,670 | 0 | (92,670) |
| Transport | 1,722,547 | 1,144,000 | (578,547) |
| Other Properties and Services | 2,953,050 | 15,942,000 | 12,988,950 |
| | 4,768,267 | 17,086,000 | 12,317,733 |

| By Class | Net Book Value 2015/16 BUDGET \$ | Sale Proceeds 2015/16 BUDGET \$ | Profit(Loss) 2015/16 BUDGET \$ |
|----------------------|----------------------------------|---------------------------------|--------------------------------|
| Buildings | 92,670 | 0 | (92,670) |
| Plant and Equipment | 1,722,547 | 1,144,000 | (578,547) |
| Land held for resale | 2,953,050 | 15,942,000 | 12,988,950 |
| | 4,768,267 | 17,086,000 | 12,317,733 |

| Summary | 2015/16 BUDGET \$ |
|---------------------------|-------------------------|
| Profit on Asset Disposals | 13,098,379 |
| Loss on Asset Disposals | (780,646) |
| | 12,317,733 |

4. ACQUISITION OF NON CURRENT ASSETS AND LAND HELD FOR RESALE INVENTORIES

The following assets are budgeted to be acquired during the year:

| | | Reporting Program | | | | | | |
|-------------------------------------|------------------------------------|-------------------|-----------------------|------------------------------|------------------------|-------------------------|--------------------------------|-------------------------|
| Asset Class | Law, Order, Public Safety \$ | Health \$ | Education and Welfare | Community Amenities \$ | Recreation and Culture | Transport | Other Property and Services \$ | Total \$ |

6. RESERVES (Continued)

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Asset Management Reserve

- new or refurbished assets.

Developer Contribution to Infrastructure

- to fund future expenditure on developments that falls outside of a TPS or ODP.

Performing Arts Centre

- construction, equipping and assessment of Don Russell Performing Arts Centre funded from Telco Tower leases.

Emergency Services

- to fund excess Bushfire and SES expenditure from prior year over budget reimbursements.

Floodlighting Levy

- to upgrade the City's active reserve floodlighting.

Gosnells Oval Redevelopment

- to fund Council's expenditure on Gosnells Oval funded from Telco Tower leases.

Gosnells Town Centre Revitalisation

- to fund the cost of redeveloping and additional operational expenses of Gosnells Town Centre.

Harmony Fields

- to provide future expenditure at Harmony Fields funded from Telco Tower leases.

Heritage Condition Reward Scheme

- to fund the preservation or restoration of the City's significant historic items and to fund payments to owners of properties and trees listed in the City of Gosnells Heritage Inventory through the Condition Reward Scheme.

Insurance

- to provide funds in case of calls on Council's participating in the self-insurance scheme.

Langford Oval Redevelopment

- to assist with the development of Langford Oval funded from Telco Tower leases.

Leisure World - Asset Management

- purchase and/or major repair of plant and buildings located at the Leisure World complex.

Local Government Elections

- for expenditure associated with holding of local government elections.

Local Open Space Strategy

- for expenditure associated with the implementation of the Local Open Space Strategy.

Maddington/Kenwick Revitalisation

- to fund the cost of urban renewal in Maddington Kenwick.

MGB Plant and Equipment

- acquisition of rubbish plant and associated equipment (including bins).

Mills Park

- to assist with the development of Mills Park funded from Telco Tower leases.

Netball Courts Resurfacing

- resurfacing of the Southern Districts Netball Courts in Langford as required.

Operations Centre

- to fund Council's expenditure on redeveloping Gosnells Operations Centre.

Plant and Equipment

- to fund replacement or new acquisition of plant and associated equipment.
- rehabilitation of the Kelvin Road Refuse Disposal Site following future closure funded from Telco Tower leases.

Rate Revaluation

- for expenditure associated with the revaluation of properties on which council raises rates.

Recreation and Culture Reserve

- to fund future expenditure on Recreational and Cultural infrastructure.

Refuse Disposal Site Rehabilitation

- rehabilitation of the Kelvin Road Refuse Disposal Site following future closure funded from Telco Tower Lease.

6. RESERVES (Continued)

Southern River Contaminated Site Rehabilitation

- for expenditure associated with the rehabilitation of the Southern River contaminated site.

Sutherlands Park

- to fund future works at Sutherlands Park funded from Telco Tower leases.

Walter Padbury Park

- to provide future works at Walter Padbury Park funded from Telco Tower leases.

Public Open Space

- to fund expenditure arising out of the need to meet our obligations in respect of provision of Public Open Space.

TPS9A

- to fund expenditure on infrastructure and administrative items within the TPS site with contributions from developers.

TPS15

- to fund expenditure on infrastructure and administrative items within the TPS site with contributions from developers.

TPS17

- to fund expenditure on infrastructure and administrative items within the TPS site with contributions from developers.

TPS20

- to fund expenditure on infrastructure and administrative items within the TPS site with contributions from developers.

ODP Canning Vale

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP West Canning Vale (Campbell Estate)

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Southern River Precinct 1

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Southern River Precinct 2

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Southern River Precinct 3

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Southern River Precinct 3A

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Southern River Precinct 3E

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Southern River Precinct 5

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Homestead Road

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Maddington Road (A&B)

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Central Maddington Precinct 1

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

ODP Central Maddington Precinct 2

- to fund expenditure on infrastructure and administrative items within the ODP site with contributions from developers.

The timing of expenditure from reserves is varied depending upon the timing of projects.

Refer to the Supplementary Information for plans of the Town Planning Scheme and ODP (Outline Development Plan) areas.

| Total Rates | | | | | | | 60,410,264 | 55,409,595 |

8. RATING INFORMATION - 2015/16 FINANCIAL YEAR (Continued)

All land except exempt land in the City is rated according to its Gross Rental Value (GRV) if its use is predominantlynon rural or Unimproved Value (UV) if its use is predominantly rural.

The differential general rates for the 2015/16 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rate has been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of the local government services/facilities.

8(a). OBJECTIVES AND REASONS FOR DIFFERENTIAL RATING

Objectives

The objective of imposing a differential rate is to obtain a fairness and equity in generating income from properties within the City.

To meet the above objectives the following rate categories have been determined:

General GRV

Characteristics

Any land held or predominantly used for residential, commercial or industrial purposes and being vacant or having improvements erected on it.

Reasons

The rate in the dollar is calculated to provide the shortfall in income required to enable Council to provide necessary works and services in the 2015/16 financial year.

Extractive Industries

Characteristics

Any land zoned or held or used solely for mining and/or having improvements erected on it.

Reasons

A higher rate in the dollar at 190% of the rate imposed on improved land has been applied to Extractive Industries as Council considers it appropriate given the impact this activity has on the road infrastructure and the environment.

Rural GRV

Characteristics

Any land zoned rural but used predominantly for non rural purposes and being vacant or having improvements erected on it.

Reasons

A higher rate in the dollar at 120% of the rate imposed on improved land has been applied to Rural GRV because Gross Rental Values do not adequately take into consideration the value of large land holdings.

Tenancy Agreements

Characteristics

Council properties leased to organisations incorporated under the Associations Incorporation Act 1987.

Reasons

A higher rate at 0.5 cents in the dollar over and above the rate imposed on unimproved land is applicable to all organisations incorporated under the Associations Incorporation Act 1987 that tenant City property in order to recover the administration expenses associated with the managing of these tenancies.

8(a). RATING INFORMATION - 2015/16 FINANCIAL YEAR (Continued)

Town Centre

Characteristics

Properties within the Gosnells Town Centre Special Control Area as identified on the City's Town Planning Scheme No. 6 Scheme Map.

Reasons

A higher rate in the dollar at 115% of the rate imposed on improved land is applicable to all commercial properties in the Gosnells Town Centre to recognise both the investment by the City in the Town Centre Revitalisation project and the additional operational expenses associated with the ongoing level of service provided.

Rural UV

Characteristics

Any land held or predominantly used for rural purposes and being vacant or having relevant buildings erected on it.

Reasons

The rate in the dollar is calculated to provide the shortfall in income required to enable Council to provide necessary works and services in the 2015/16 financial year.

Rural UV Agricultural Concession

Characteristics

Minimum lot area of 20,200 square meters;

The resident owner derives his/her livelihood from such business/industry: uses include, but are not limited to grazing, dairying, tree farming and animal husbandry.

Reasons

A concession of 20% off the Rural UV rate is offered to owners who have had continuous ownership since 1 July 1986 of the rural property and who meet the above characteristics and criteria.

Differential Minimum Payment

A uniform minimum rate is applied to all rate categories. The imposition of a minimum rate is in recognition that every property receives some minimum level of benefit from services provided and as such Council has adopted an appropriate minimum rate to take this into consideration.

9. SPECIFIED AREA RATE - 2015/16 FINANCIAL YEAR

| Gross Rental Value (GRV) | Rate in \$ cents | Number of Properties | Rateable Value | 2015/16 Budgeted Revenue \$ | Budget Applied to Costs \$ | 2014/15 Actual \$ |
|--------------------------|------------------------|----------------------------|-------------------|--------------------------------------|-------------------------------------|-------------------------|
| Bletchley Park | 0.3735 | 988 | 23,473,150 | 87,672 | 87,672 | 78.194 |
| Brookland Greens | 0.4118 | 562 | 16,049,691 | 66,093 | 66,093 | 63,450 |
| Sanctuary Waters | 0.4436 | 688 | 17,931,373 | 79,544 | 79,544 | 77,109 |
| The Avenues | 0.5283 | 498 | 11,874,170 | 62,731 | 62,731 | 62,641 |
| The Boardwalk | 0.3976 | 624 | 18,474,310 | 73,454 | 73,454 | 70,096 |
| The Reserve | 0.3187 | 347 | 9,642,501 | 30,731 | 30,731 | 30,749 |
| • | | | | 400,225 | 400,225 | 382,239 |

Purpose for the rate and proposed application of proceeds:

To recover in each Specified Area up to 25% of the park maintenance cost incurred by Council as they are maintained to a higher standard.

Description of the areas in which rates are to be applied:

Bletchley Park
Brookland Greens
Housing development known as "Bletchley Park"
Housing development known as "Brookland Greens"
Housing development known as "Sanctuary Waters"
Housing development known as "The Avenues"
The Boardwalk
Housing development known as "The Boardwalk"
The Reserve
Housing development known as "The Reserve"

Plans of the Specified Area Rate (SAR) areas are shown in the Supplementary Information.

Description of Discounts, Incentives, Waivers and Write-Offs

Incentives for the early payment of rates are offered as follows:

INCENTIVE A

Five prizes of \$1,000 each, funded by the City of Gosnells, will be drawn on a random basis as an incentive for ratepayers to pay their rates in full within 35 days from the date of issue of the 2015/16 Rate Notices.

Westpac Banking Corporation will also provide a \$2,000 savings account.

Inclusion in the draw will be automatic for all ratepayers who have paid their rates in full by the advertised due date of the first instalment.

Winners will be notified by mail.

Councillors and employees of the City of Gosnells are ineligible to enter.

INCENTIVE B

A further incentive for the early payment of rates is offered for all ratepayers who pay their rates in full before each draw date.

Courtesy of Forest Lakes Forum, four (4) City of Gosnells ratepayers will win up to \$1,000 each off their rates bill, plus \$750 worth of shopping vouchers to spend at Forest Lakes Forum.

One winner will be drawn each week on a Friday. Inclusion in the draw is dependant on eligible ratepayers placing an entry in the barrel located next to Aroma Cafe at Forest Lakes Forum between Monday 20 July and Noon on Friday 21 August 2015 for a chance to win one of the four prizes.

Full terms and conditions are available from the Centre's website at: www.forestlakesforum.com.au

8 January 2016
11 March 2016

Special Payment Arrangement Plan by Direct Debit (Bank Account only)

13. INSTALMENT OPTIONS AND INTEREST CHARGES - 2015/16 FINANCIAL YEAR (Continued)

Description of Instalment Arrangement Plans and Interest Charges:

Late Payment Interest

Late payment interest is imposed on all rates related fees and charges (current and arrears) including but not limited to general rates, specified area rates, refuse charges and swimming pool inspection fees. Interest will be charged on a daily basis on all arrears and current amounts that remain unpaid 35 days from the date of issue of the original rate notice.

Special Payment Arrangement Plan

Special weekly, fortnightly or four weekly payment arrangements can be made by way of Direct Debit (bank account only). An administration fee is charged (excluding registered Pensioners/Seniors with 100% equity) on each special payment arrangement plan and late payment interest is applied to the outstanding balance that remains unpaid 35 days from the issue of the original rate notice until the account is paid in full. For direct debit arrangement terms and conditions contact the City's Rates section.

Four Instalment Arrangement Plan

The four instalment arrangement plan incurs an administration fee (excluding registered Pensioners/Seniors with 100% equity) to recover the additional cost to the City to administer this plan. The four instalment plan attracts interest calculated on all rates and service charges on a daily basis. Arrears are included and payable in the first instalment and continue to attract late payment interest until paid.

14. ELECTED MEMBERS REMUNERATION

| The following fees, expenses and allowances were paid to Elected Members and/or the Mayor. | 2015/16 Budget \$ | 2014/15 Actual \$ |
|--|-------------------------|-------------------------|
| Meeting Fees | 397,850 | 355,350 |
| Mayor's Allowance | 90,200 | 87,550 |
| Deputy Mayor's Allowance | 22,550 | 21,887 |
| Travelling Expenses | 18,000 | 11,705 |
| Telecommunications Allowance | 26,000 | 23,100 |
| | 554,600 | 499,592 |

15. NOTES TO THE STATEMENT OF CASH FLOWS

(a) Reconciliation of Cash

For the purposes of the statement of cash flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

| | is as follows: | 2015/16 Budget \$ | 2014/15 Actual \$ | 2014/15 Budget \$ |
|-----|--|-------------------------|-------------------------|-------------------------|
| | Cash - Unrestricted | 19,585,057 | 18,935,380 | 20,443,981 |
| | Cash - Restricted | 76,637,649 | 73,817,652 | 63,539,040 |
| | | 96,222,706 | 92,753,032 | 83,983,021 |
| | The following restrictions have been imposed by regulati | on or other externally | imposed requirement | s: |
| | Reserves (refer to Note 6 for details) | 76,637,649 | 71,261,232 | 63,539,040 |
| | Unspent Grant Funds | 0 | 2,556,420 | 0 |
| | | 76,637,649 | 73,817,652 | 63,539,040 |
| (b) | Reconciliation of Net Cash Provided By Operating Activities to Net Result | | | |
| | Net Result | 20,825,133 | 13,034,193 | 24,252,375 |
| | Depreciation | 19,106,802 | 15,963,922 | 15,389,875 |
| | Investment Fair Value Movement | (150,000) | (220,000) | 0 |
| | (Profit)/Loss on Sale of Asset | (12,317,733) | (600,184) | (6,940,792) |
| | (Increase)/Decrease in Receivables | 1,719,797 | 905,198 | 1,219,797 |
| | (Increase)/Decrease in Inventories | 12,384 | 32,094 | 12,384 |
| | Increase/(Decrease) in Payables | 1,994,228 | 1,944,797 | 730,522 |
| | Increase/(Decrease) in Employee Provisions | 863,859 | 941,661 | 1,163,859 |
| | Grants/Contributions for the Development | | | |

| | Loan Facilities in use at Balance Date | 40,226,000 | 1,888,590 | 10,850,000 |
| | Unused Loan Facilities at Balance Date | 250,000 | 27,987,410 | 19,976,000 |

16. TRUST FUNDS

Funds held at balance date over which the local government has no control and which are not included in the financial statements are as follows:

| Detail | Balance 1-Jul-15 \$ | Estimated Amounts Received \$ | Estimated Amounts Paid (\$) | Estimated Balance 30-Jun-16 \$ |
|--|--------------------------------|--|---|---|
| Construction Training Fund Builders Registration Board Fund Unclaimed Money ECM User Group | 0 46,674 51,881 4.444 | 564,000 345,000 20,225 0 | (526,000) (320,000) (6,032) (75) | 38,000 71,674 66,074 4,369 |
| | 102,999 | 929,225 | (852,107) | 180,117 |

17. MAJOR LAND TRANSACTIONS

Lot 85 Streatham Street and part Lot 900 Railway Parade Beckenham subdivision

(a) Details

Council intends to develop and subdivide Lot 85 Streatham Street and Lot 900 Railway Parade, Beckenham, known as Sydenham St Reserve. This subdivision will provide approximately 51 residential lots and the development of a new public open space area adjacent to Beckenham Community Centre. Council intends to sell the residential lots.

The development and subdivision costs for this project will be funded by a loan from WA Treasury Corporation and be repaid from the proceeds of the sale of residential lots.

| (b) Current year transactions | 2015/16 Budget \$ | 2014/15 Actual \$ |
|-------------------------------|-------------------------|-------------------------|
| Operating Revenue | | |
| - Profit on sale | 9,057,000 | 0 |
| Capital Revenue | | |
| - Sale Proceeds | 11,147,000 | 0 |
| Capital Expenditure | | |
| - Development Costs | 80,885 | 2,640,465 |
| - Interest Capitalised | 0 | 157,410 |
| • | 80,885 | 2,797,875 |

The above expenditure is included as an asset in land held for resale. The land sales of this subdivision are expected to occur during the 2015/16 financial year. Consequently, the asset is expected to be fully disposed by 30 June 2016.

It is not anticipated any liabilities will exist in relation to this land transaction as at 30 June 2016.

18. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS

It is not anticipated any trading undertakings or major trading undertakings will occur in 2015/16.

19. MAJOR PROJECT

Mills Park Redevelopment

(a) Details

The Mills Park Redevelopment Project in its current form commenced on 1 July 2011, with the development of a concept plan for the site. Previous studies dating back over a number years helped inform the concept plan. Since July 2011, the City has in consultation with the general community, the Mills Park sporting clubs and State Government agencies developed the current form of the Mills Park Master Plan which Council adopted in 2013.

The Mills Park re-development is a comprehensive re-generation of the entire Mills Park facility and includes the following elements:

- New multi-purpose community facility including clubrooms, function centre, changerooms, café, meeting rooms, kindy gym
- Additional satellite toilet, changeroom facilities
- Newly re-surfaced active sports grounds for a variety of sports including AFL and cricket
- Two new synthetic all weather soccer pitches
- Four new public use tennis courts
- New plaza style skate park
- Piazza style area for outdoor community events
- Regional playground incorporating nature play
- · Bicycle/walking paths

Council approved the invitation of tenders for the construction of the Mills Park Master Plan in October 2014. A pre-tender estimate for the construction works was \$44.78M. A slowdown in the construction industry in Perth saw the City receive very favourable responses to the invitation to tender and subsequently in February 2015 accepted tenders to the value of \$36.76M for the works with further additional expenditure of \$10.18M on professional fees, separate contracts for park furniture, change rooms, public toilets and turf, and a public art allowance, overhead recovery and design and Headworks charges. Works commenced onsite in March 2015 and are planned for completion by December 2016.

The redevelopment will be funded from a combination of grant, reserve, loan and municipal funds. In 2014/15 the City obtained a loan facility from the Western Australian Treasury Corporation for \$27,026,000 and the funds drawn as required.

The project budget is subject to budget variations after the finalisation for the sale proceeds and approved variation in accordance Australian Standard 2124.1992.
