

Abandoned and impounded vehicles

Vehicles that are unlawfully parked, causing an obstruction or abandoned can be impounded by Ranger Services under the *Local Government Act 1995*. A Ranger will place a warning notice on the vehicle requesting the owner to move the vehicle. If the vehicle isn't removed, or if the owner can't be located, the vehicle will be impounded.

Impounded vehicles are held at the City's impounding facility. It is the responsibility of the owner to collect the vehicle by paying the prescribed fees and charges and providing proof of ownership in order to claim the vehicle. Infringement notices are still applicable and may be issued to the last known owner of the vehicle. Vehicles that remain unclaimed are sold by public tender.

Report an abandoned vehicle

Abandoned vehicles can be reported to Ranger Services on 9397 3000 during office hours. To assist the Ranger please supply as much information as possible including:

- Exact location of vehicle
- Make and model of the vehicle
- Body type and colour of vehicle
- Registration number if possible
- How long the vehicle has been abandoned in this location
- Whether you have contacted the Police to see if the vehicle is stolen.

CITY OF GOSNELLS

Your guide to parking

Parking

Every local government has parking laws designed to make living in that community more enjoyable for residents. The City of Gosnells local laws help preserve the amenity of our area and reflect the needs and expectations of the community.

The City's Rangers administer the City of Gosnells *Parking Local Law 2012* and issue warnings, infringements or commence court action, if necessary, for contravention of the local law.

Know your signs

All drivers should familiarise themselves with the standard signage used throughout Western Australia.

Here are some examples of the more frequently used signs in and around the City.

No Stopping

You must not stop on a length of road to which a No Stopping sign applies.

No Parking

You may stop in a No Parking zone for a maximum of two minutes to drop off or pick up passengers. You must stay within 3 metres of your car at all times.

Parking signs

Parking signs with specified time limits allow drivers to park their vehicles for a certain period of time, for example one hour parking.

Continuous yellow line markings

You cannot stop or park anywhere along a single yellow line painted on the edge of the road. This restriction is in place 24 hours a day and attracts a \$100 penalty.

The City will use yellow lines instead of signage where placement of signs may be difficult, pose a hazard or affect the amenity of an area.

People with disabilities parking

Parking for people with disabilities is provided at various locations throughout the City.

These locations are clearly signposted with the blue People with Disabilities ground symbol and appropriate upright signage.

Only vehicles displaying a current registered People with Disabilities permit are entitled to park in these bays. Penalties apply if vehicles are not displaying a current People with Disabilities permit.

Commercial vehicles

It is an offence to:

- Park a vehicle that is 7.5 metres or more in length or exceeds a GVM of 3 tonnes on a carriageway for any period exceeding two hours in any 24 hour period.
- Stand a commercial vehicle on a verge unless it is loading or unloading goods.

For more information please read our Commercial Vehicle Parking pamphlet or contact Ranger Services on 9397 3000.

Authorised persons

The City of Gosnells Rangers are authorised persons for the purpose of administering the *Parking Local Law 2012* within the district.

The City may also authorise other persons to enforce the local law on private land such as shopping centres or educational institutions. Signage will be erected in these places to warn drivers that the local law applies to that property. Authorised officers at these establishments can enforce the local law and issue infringement notices to the drivers of vehicles found to be parking illegally on that property.

Infringements

Payment of parking infringements is to be made on or before the due date and can be paid in the following ways:

- In person at the Civic Centre, located at: 2120 Albany Highway, Gosnells
- Via cheques and money orders posted to: PO Box 662, Gosnells 6990, or
- Online at www.gosnells.wa.gov.au

Please note that if payment is not made by the due date, additional costs will be incurred. Failure to take any action will result in the matter being registered with the Fines Enforcement Registry, after which non-payment may result in the Driver's Licence (or any vehicle licence held by the individual) being suspended.

Driver responsibilities

Drivers of vehicles are advised that:

- It is an offence to refuse to provide name and address details to a Ranger when requested to do so.
- It is an offence to refuse to move a vehicle when requested to do so by a Ranger.
- The owner of a vehicle is required to provide the details of the driver at the time the alleged offence was committed.
